<sup>1</sup> The trading fee crypto and the trading fee fiat & stablecoin are mutually exclusive. The trading fee fiat & stablecoin applies to fiat/fiat, stablecoin/stablecoin, fiat/stablecoin and stablecoin/fiat trading pairs.

<sup>2</sup> The relationship manager trading surcharge applies in case your relationship manager captures the trade for you. The surcharge is denominated in CHF and debited to your CHF fiat account.

<sup>3</sup> The crypto custody fee is calculated daily based on end-of-day values and is charged quarterly (end of March, June, September, December).

<sup>4</sup> Crypto holdings comprise of all assets held with Bitcoin Suisse except for holdings in fiat currencies.

<sup>5</sup> Vault custody fee is added to the crypto custody fee in case Vault services are used. The Vault custody fee is calculated daily based on end-of-day Vault holdings.

<sup>6</sup> The staking fee is calculated on the staking rewards received and debited in the respective crypto asset.

<sup>7</sup> A withdrawal fee applies to each withdrawal.

<sup>8</sup> A withdrawal fee does not apply to transfers between the client's Bitcoin Suisse accounts.
